TERMS AND CONDITIONS OF CONTRACT

Registration to Proficiency Testing

The laboratory willing to participate in proficiency Testing, should e-mail to info@microanalitica.eu, the "Proficiency Testing" application form. The Proficiency Testing form will establish an ongoing contract between Microanalitica srl unipersonale and the laboratory.

Participation in Proficiency Testing

Service includes:

Support for the duration of the Proficiency Testing selected from the laboratory;

Instructions and details for carrying out the tests;

Final report of the Proficiency Testing selected;

Microanalitica will provide notices and informations related to Proficiency Testing solely and exclusively to the personnel stated in the application form.

Part of the material, excluding the unstable ones, will be available to customers for possible complaints and appeals up to 30 days from the publication of the final reports. Any issues relating to the final report of the proficiency testing must be received by Microanalitica within 30 working days from its publication.

Confidentiality of results and processing of personal data

For the entire duration of the scheme, the laboratories are identified exclusively through an identification code assigned randomly and known only by Microanalitica and by the contacts indicated by the laboratory.

All information provided by participants in Microanalitica is treated as confidential pursuant to Regulation (EU) 2016/679.

When an interested party requests that the results of the Proficiency Testing be provided directly by Microanalitica, the participants will be notified of this prior to participation.

In exceptional cases, if a legislative authority requests the results of the Proficiency Testing from Microanalitica, the interested participants will be notified in writing of this, unless this is prohibited by law.

By signing and accepting the registration form, you authorize the use of your personal data for all purposes related to this service. The Data Controller is Microanalitica Srl unipersonale, with registered office in via Reano, 21/8 10098 Rivoli (TO). The customer is invited to read the Information on the Processing of Personal Data, available on the website www.microanalitica.eu

Delivery conditions of test materials

Test materials will be delivered at the address specified on the application form, by courier.

Sending test results

The operating instructions and details for each test schedule included are downloadable by website.

The form that must be completed by the laboratory for sending test results to Microanalitica, will be sent by e-mail same time of delivery of the test material.

Test results must be sent by the laboratory by scheduled date at the address results@microanalitica.eu

From receipt of test samples, the laboratories have about 30 days to send the results to be sent to the e-mail address. results@microanalitica.eu.

Payment terms

A regular invoice will be issued within 5 working days of registration, the laboratory will have to carry out within 30 days d.f. payment by bank transfer. Failure to pay within the aforementioned term gives Microanalitica the right to exclude the Laboratory from Proficiency Testing and to consider the contract terminated.

Bank details for payments

Account holder: Microanalitica srl unipersonale

Holder address: Via Reano 21/8 zip code 10098 Rivoli (TO) Italy
